

TELEVISION STUDIO PRODUCTION ASSISTANT INTERN

Job Title: Television Studio Production Assistant
Job Grade Level: Intern
Department: Studio

Hours Per Week: 15 hours a week
Base Pay Rate: Unpaid Part-Time
Contact: interns@bnnmedia.org

Boston Neighborhood Network (BNN), Boston's community media center, offers public access to cable television channels and low power FM radio; video production equipment, facilities, training, production support; and a multimedia computer center. By providing the means of production and a public forum, it invites diverse communities to express themselves and encourages broad-based public dialogue.

Studio Department is comprised of 2 Channels - Community TV and the News & Information Channel. The News & Information channel creates content for Non-Profit Organizations, City and Governmental Agencies, while our Community Television teaches Boston residents to become content creators.

About the Position

Interns will assist BNN staff to administer and produce community-oriented, live, and taped programs on the BNN News & Information and Community channels. Interns will assist with studio set-up, graphics, and other production assistance. The internship is unpaid, but college credit may be available.

Qualifications

- Some Television Production experience preferred but not required
- Computer skills in word processing
- Ability to work with diverse community and staff
- Strong ability to complete tasks as directed and to work with tight deadlines.

Supervisor

Ashley Lewis, *Community Media Production & Distribution Manager* - alewis@bnnmedia.org
